- Entry form submissions close with the Secretary at 5.00pm on Thursday 2 November 2023.
- Exhibit delivery times for blooms from 6.00-8.00pm on Saturday and 6.30-8.30am on Sunday.
- Bottles and plugging material will be provided by the Society. Plugging bottles enables more upright display of exhibits.
- Judging will commence at 9.00am on Sunday.
- Exhibits to be collected after 4.30pm on Show Day.
- All flowers must be grown in entrant's garden.
- NND in classes means "not necessarily distinct or different"; "distinct" means different varieties.
- A stem has one bloom and no buds. A cut may have one or more flowers or blooms or buds.
- Entries in unenumerated can only be made if there is no other applicable class.

**Tips on exhibiting roses:**

- Cuts can have buds as well as blooms – leave on if in good condition, or remove if not.
- Leaves can be left on the stem, or cut from above the top of the bottle (need to be in good condition).
- Freshness is a crucial attribute.
- Ensure all insects are removed
- Plug all rose exhibits so that they sit up well above the bottle.
