Covid-19 has totally changed our world, so we have decided, to create a new Section, one time only, for us all to express what 2020 has meant to us and how we can hopefully celebrate its passing whilst having a bit of fun!

- Entry form submissions close **Monday 19 October 2020 at 8.00pm**.
- Exhibits must be delivered to the Section for staging by **11.00am Sunday 25 October** or prior, to the Secretary's office by arrangement with Secretary or Convenor.
- All Exhibits will be disposed of by the Convenor as per COVID-19 regulations.
- All exhibits to be placed on plain white paper plates.
- No ring cakes as it is difficult to judge them against other cakes.
- The judge will look at whether the exhibit meets the class requirements, appearance (colour, cake rack marks etc), texture (fruit evenly distributed, no air holes), as well as taste.
- Also, please note that containers used to transport entries must be taken home upon the delivery of the Cookery item.
